By completing this application, I understand I am making a commitment to the EHS Newspaper Staff for the entire school year. I will be using my journalism and publishing skills and applying them to the production of the paper. I understand that evaluation of my performance will be made on my mastery of skills and their application and my ability to meet deadlines. I know that I must devote time outside the regular class period in order to accomplish these tasks. I agree to dedicate myself to the publication of a newspaper of the highest quality possible and to the other staff members. **Finally, I am aware that I and my parents will be signing a binding form, a *Code and Contract*, which is a three-strike system that ensures I will meet my deadlines.**
